

TAILORED HIGH BACK

LOUNGE

Tailored High-Back is a modular collection of upholstered products designed specifically for office and open spaces. Designed with the desire to facilitate meetings, interactions and communication between people while also providing a space for quiet work and conversations. The oak leg with its geometric shape is a shared characteristic of the Tailored collection, providing a strong visual connection between the tables, couches and coffee tables.

The collection is certified with eco specifier and carries a green tag. The Tailored High-Back is available in a variety of standard configurations with custom sizes available on request.
