

TAILORED 21

COFFEE TABLE

Tailored 21 Tables are a collection of low height tables designed for commercial, residential and hospitality sectors. The oak leg with its geometric shape is a shared characteristic of the Tailored collection, providing a strong visual connection between the tables, couches and coffee tables. The Tailored 21 comprises sustainably sourced oak legs and a spun metal top.

The product is available in three standard sizes with the top finished in either white or black textured powder-coat.

Tailored Tables are made in Melbourne and fully GECA certified - FFG-200026. Under GECA, products are certified against environmental performance criteria across its life cycle to ensure they deliver better environmental outcomes.
