NOCTILUCA DARK

EDITION OF TEN

Summoning the presence of the otherworldly, drawn from the deep, Noctiluca's ethereal form transcends the everyday. Floating, suspended parallel to the wall, thirty-two Ceto lamps adorn the band in a mesmerising motif. Intrinsicly formed in each individual lamp is the current of the ocean, together they flow and revolve around Noctiluca skeleton forming an endless undulating spiral.

Each glass shade is mouth blown in Australia and hand assembled in our Melbourne based studio. This sculptural luminaire is editioned in black glass with a hand finished and black anodised finish.
