

ROSS GARDAM

Flexible, inviting and productive, the Adapt collection of lounges and accessories are designed to evolve with the dynamic needs of today's workspace.

The new Adapt Soft brings a more relaxed aesthetic combined with a residential level of comfort. The fixed cushions are made from a foam / feather composite combined with a complete quilted feather wrap to the seat.

The clean lines and subtle surfaces of the Adapt bring a softness and sense of the familiar into the workspace. Offering a diverse range of possible compositions ensures a cohesive design language can be created in any fitout. Adapt is made in Melbourne and was designed by Ross Gardam to perfectly service multiple sectors and applications.

Adapt Soft, available in the full range of low-back lounge configurations, when that extra level of comfort and luxury is required.

01 DETAILS

Details of stitching on the Adapt Soft create a high level of craftsmanship while arms and backs create visual tension.
